Races And Games

1. **Races:** A contest of speed in running, riding, driving, sailing or rowing is called a race.

2. **Race Course:** The ground or path on which contests are made is called a race course.

3. **Starting Point:** The point from which a race begins is known as a starting point.

4. **Winning Point or Goal:** The point set to bound a race is called a winning point or a goal.

5. **Winner:** The person who first reaches the winning point is called a winner.

6. **Dead Heat Race:** If all the persons contesting a race reach the goal exactly at the same time, the race is said to be dead heat race.

7. **Start:** Suppose A and B are two contestants in a race. If before the start of the race, A is at the starting point and B is ahead of A by 12 metres, then we say that 'A gives B, a start of 12 metres'.

   To cover a race of 100 metres in this case, A will have to cover 100 metres while B will have to cover only $(100 - 12) = 88$ metres.

   In a 100 race, 'A can give B 12 m' or 'A can give B a start of 12 m' or 'A beats B by 12 m' means that while A runs 100 m, B runs $(100 - 12) = 88$ m.

8. **Games:** 'A game of 100, means that the person among the contestants who scores 100 points first is the winner'.

   If A scores 100 points while B scores only 80 points, then we say that 'A can give B 20 points'.
