

Amazon Bangalore(TRMS) Interview Experience

Entry time was 10:00 AM, nearly 100+ people attended walk-in drive for seller support and TRMS.

They asked us to sit for 2 hrs and then finally they took nearly 50 people to an interview room. HR asked everyone to give self-intro. I started telling myself, she asked me to stop. It's going same with everyone out of 50 people nearly 7 people were selected for further rounds based on uncompleted self-introduction
